Basic Information	
Type:	Invitation For Bids (IFB)
Status:	Closed Solicitation expired on 03/12/2020 at 02:00 PM.
Solicitation Number:	IFB 6300 DCM1022
Description:	Erosion Control Materials
Summary:	The City of Austin (City) seeks to establish a contract with a contractor(s) for the purchase of Geosynthetic and Natural Fiber Erosion Control Materials for use in engineered slope stabilization and stream restoration design. The commodities requested include synthetic geogrids for mechanically stabilized earth systems, a range of rolled erosion control products for soil retention, fiber rolls, and anchoring systems to be used by City maintenance crews who maintain flood conveyance and repair erosion in storm water open channel systems.
