Description:	ATD Transportation Engineering Staff Augmentation
Summary:	The Austin Transportation Department (ATD) seeks a qualified consultant ("Consultant") for skilled engineering staff to augment existing ATD workforce in the delivery of duties in the ATD Transportation Engineering Division, located at 3701 Lake Austin Boulevard. The Consultant will provide engineering design, review, and coordination with City of Austin transportation staff daily. These services will be provided by Consultant staff in combination with City of Austin (City) ATD staff for a one-year period with three (3) one-year renewal options. The staff augmentation services envisioned under this contract include the following: Engineering studies and projects; Development review; Transportation safety engineering; Data Collection; Program coordination; GIS/Geospatial Data and Analysis services; Right of Way services; and, Meetings. The Consultant shall supervise, direct, control, assume full authority over, and be responsible for Consultant's staff and their performance of the services required for this project. This project will entail the assignment of multiple professionals, as determined by the Consultant and approved by the City, on-site at ATD offices. On-site Consultant staff may be supported by off-site Consultant staff as requested by ATD. Both on-site and off-site staff will provide comprehensive support to ATD throughout the duration of this project. It is envisioned that role of the Consultant will be dynamic in nature and will be actively guided by the needs and priorities of ATD.
