Description:	ATD Street Design Staff Augmentation
Summary:	The Austin Transportation Department (ATD) seeks a qualified firm for the staffing augmentation of existing duties in the ATD Street Design Team, within the Active Transportation and Street Design Division, currently located at Barton Oaks Plaza V, City of Austin, Texas. The selected firm will provide staff that expand ATD's staff capacity to perform multimodal complete street design, engineering, review and coordination to support successful delivery of the 2016 Bond and 2020 Bond Bikeway, Safe Route to School, Pedestrian Crossing and Sidewalk local mobility programs in addition to providing Street Design support to other programs including but not limited the Active Transportation Program, Transit Speed and Reliability Program, and Neighborhood Partnering Program, funded through various sources (a mix of operational and bond funding). ATD's Street Design Team will support design and project delivery for these programs, for any projects that require changes to on-street traffic operations to accomplish program / project goals (improved bikeways, connected sidewalks, safe pedestrian crossings, and safe routes to schools). These services will be provided on a daily basis by the selected firm personnel in combination with City staff for the life of the contract until authority is expended.
Estimated Amount for Solicitation:	Not Applicable
