If the Purchasing Officer determines that your grounds are insufficient, the City will notify you of that decision in writing.
 - vi. The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the

- viii. The City will send you a copy of the hearing decision after the appropriate City staff has reviewed the decision.
- ix. When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Purchasing Officer determines that:

If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution process specified in paragraph 48. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

B. Neither party shall be liable for any default or delay in the performance of its obligations under this Contract if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond the reasonable control of such Party. In the event of default or delay in contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.
42. **PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS**: No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
43. **INDEPENDENT CONTRACTOR**: The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. 47. **INTERPRETATION:** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.
48. **DISPUTE RESOLUTION:**
- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
 - B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. Preparation Costs: All costs directly or indirectly related to preparation of a response to the RFQS or any oral presentation required to supplement and/or clarify an offer which may be required by the City shall be the sole responsibility of the Offeror.

Compliance: The Offeror agrees to compliance with terms of this RFQS and with all applicable rules and regulations of Federal, State, and Local governing entities.

Process: The RFQS process is a procurement method based upon Chapter 2254 of the Texas Local Government Code in which a selection and award is based off the demonstrated competence and qualifications.

This solicitation will proceed in two phases. In the first phase Consultants shall submit qualifications for evaluation by the City based on evaluation factors provided in Section 0600 Response Preparation Instructions and Evaluation Instructions. In the second phase, a "short-list" of offers will be established by the City. The City will proceed with price negotiations with "Short-listed" Offerors.

After the second phase, negotiated fees for the services will be submitted to the City of Austin's Council for final review and award of a Contract.

Compensation/Fees for Services: Do not submit a cost proposal with response. If Responder is selected as most qualified, the City will request the Responder to submit their cost proposal.

Evaluation factors outlined in Paragraph B below shall be applied to all eligible, responsive Offerors in comparing responses and selecting the most qualified Offeror. Presentations, Demonstrations Optional. The City will score submissions on the basis of the criteria listed above. The City may select a "short list" of Offerors based on those scores. "Short-listed" Offerors may be invited for presentations, or demonstrations with the City. The City reserves the right to re-score "short-listed" submissions as a result, and to make award recommendations on that basis.

In addition, Contractor and Contractor's Agents shall comply with the minimum necessary requirements set forth in the HIPAA privacy regulations when using or disclosing PHI. Contractor also agrees to mitigate, to the extent possible, any harmful effects of an improper use or disclosure of PHI by Contractor in violation of the requirements of the Contract.
