The procedures for notifying the City of Austin of an alleged deficiency or filing a protest are listed below. If you fail to comply with any of these requirements, the Purchasing Officer may dismiss your complaint or protest.

If the Purchasing Officer determines that your grounds are insufficient, the City will notify you of that decision in writing.
- 8.4.7** The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the purchase, the Department of Law, the Purchasing Office, and other appropriate City staff. You may bring a representative or anyone else that will present information to support the factual grounds for your protest with you to the hearing.
- 8.4.8** A decision will usually be made within fifteen (15) calendar days after the hearing.
- 8.4.9** The City will send you a copy of the hearing decision after the appropriate City staff has reviewed the decision.
- 8.4.10** When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Purchasing Officer determines that the City urgently requires the supplies or Services to be purchased, or failure to make an award promptly will unduly delay delivery or performance. In those instances, the City will notify you and make every effort to resolve your protest before the award.

**8.5 Interested Parties Disclosure.** As a condition to entering the Contract, the Business Entity constituting the Offeror must provide the following disclosure of Interested Parties to the City prior to the award of a contract with the City on Form 1295 "Certificate of Interested Parties" as prescribed by the Texas Ethics Commission for any contract award requiring council authorization. Whenever one party to the Contract in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within 30 calendar days from the date of receipt of the notice of delay. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination. However, the City may terminate an order under the Contract if it is determined by the City that the Contractor will not be able to deliver goods or services in a timely manner to meet the business needs of the City.

### 1.32 DISPUTE RESOLUTION:

- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this Section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to consider qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a Contract interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center. The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. ### 1.44 ECONOMIC PRICE ADJUSTMENT:

- A. **Price Adjustments:** Prices shown in this Contract shall remain firm for the first 12 (twelve) months of the Contract. After that, in recognition of the potential for fluctuation of the Contractor's cost, a price adjustment (increase or decrease) may be requested by either the City or the Contractor on the anniversary date of the Contract or as may otherwise be specified herein. The percentage change between the Contract price and the requested price shall not exceed the percentage change between the specified index in effect on the date the Solicitation closed and the most recent, non-preliminary data at the time the price adjustment is requested. The requested price adjustment may not exceed 25 (twenty-five) percent for any single line item unless the required documentation proves an increase that exceeds that percentage, and in no event shall the total amount of the Contract be automatically adjusted as a result of the change in one or more-line items made pursuant to this provision. Prices for products or services unaffected by verifiable cost trends shall not be subject to adjustment. Prices will not be adjusted without approval from both parties.
- B. **Effective Date:** Approved price adjustments will go into effect on the first day of the upcoming renewal period or anniversary date of Contract award and remain in effect until Contract expiration unless changed by subsequent amendment.
- C. **Adjustments:** A request for price adjustment must be made in writing and submitted to the other Party prior to the yearly anniversary date of the Contract; adjustments may only be considered at that time unless otherwise specified herein. Requested adjustments must be solely for the purpose of accommodating changes in the Contractor's direct costs. Contractor shall provide an updated price listing once agreed to adjustment(s) have been approved by the parties.
- D. **Indexes:** In most cases an index from the Bureau of Labor Standards will be utilized; however, if there is more appropriate, industry recognized standard then that index may be selected.
- i. The following definitions apply:
- (1) **Base Period:** Month and year of the original Contracted price (the Solicitation close date).
  - (2) **Base Price:** Initial price quoted, proposed and/or Contracted per unit of measure.
  - (3) **Adjusted Price:** Base Price after it has been adjusted in accordance with the applicable index change and instructions provided.
  - (4) **Change Factor:** The multiplier utilized to adjust the Base Price to the Adjusted Price.
  - (5) **Weight %:** The percent of the Base Price subject to adjustment based on an index change.
- a. **Adjustment-Request Review:** Each adjustment-request received will be reviewed and compared to changes in the index(es) identified below. Where applicable:
- i. Utilize final Compilation data instead of Preliminary data
  - ii. If the referenced index is no longer available shift up to the next higher category index.
  - iii. Index Identification: Complete.

- E. **Calculation:** Price adjustment will be calculated as follows:

**Single Index:** Adjust the Base Price by the same factor calculated for the index change.

Index at time of calculation
Divided by index on Solicitation close date
Equals Change Factor
Multiplied by the Base Rate
Equals the Adjusted Price

**Adjustment of a Portion of the Base Price:** A portion of the Base Price changes such that only part of the price is adjusted, while the balance of the Base Price remains fixed. The portion of the Base Price subject to adjustment is defined in D.i.(5).a.iii. above.

Index at time of calculation
Divided by index on Solicitation close date
Equals change factor
Multiply the Base Price by the portion of Base Price subject to change = weighted portion
Multiply the weighted portion times the change factor
Equals the Adjusted Price for the portion of the Base Price subject to the Index change
Add the portion of the Base Price not subject to adjustment
Equals the Adjusted Price

- F. If the requested adjustment is not supported by the referenced index, the City, at its sole discretion, may consider approving an adjustment on fully documented market increases.

**1.45 LIQUIDATED DAMAGES:**

Time is of the essence in the performance of the Contract; therefore, the Contractor shall strictly adhere to the Contract delivery schedule. No changes in the delivery schedule shall be effective unless in writing executed by both the City and the Contractor. The parties agree that if, due to no fault of the City, delivery of any material or performance of any service is delayed beyond the time specified in the Contract, the actual damages sustained by the City because of such delay will be uncertain and difficult to determine, and that the reasonable foreseeable damage incurred by the City is hereby stipulated to be \$500 per calendar day. The parties intend that the liquidated damages constitute compensation, and not a penalty. The Contractor therefore agrees to pay, and the City agrees to accept, as liquidated damages, the sum of \$500 per calendar day for each calendar day of delay.

**1.46 NON-SPECIFIED ITEMS:**

The City may purchase additional related items that are available from the Contractor. Pricing for these non-specified items will be calculated based on a percentage markup over Contractors cost, percentage discount of list price or as otherwise identified in the Price Sheet under the Non-Specified Items Section. The percentage markup or discount shall be fixed throughout the term of the Contract and are not subject to increase. They shall also remain firm through subsequent Contract extension options. The City may request additional information from the Contractor to substantiate the percentage markup or discount prior to placing an order.
