

**ADDENDUM
CITY OF AUSTIN, TEXAS**

Solicitation: RFP 2400 GAZ3015 Addendum No: 1 Date of Addendum: 05/03/22

This addendum is to incorporate the following changes to the above referenced solicitation:

I. Questions:

1. Q) Is the City's expectation that delivered services (i.e., the entirety of the contract) must be completed for less than or equal to (\leq) one hundred and forty thousand dollars (\$140K) total?

A) Yes, the maximum total award for the contract is \$140,000.
2. Q) Has the City seen any technology products they would like to see implemented as a part of this project? If so, are you able to share those?

A) The City does not have this information to share at this time.
3. Q) Are there specific examples of similar dashboards that have inspired the requirements in this RFP? If so, are you able to share those??

A) The City does not have this information to share at this time.
4. Q) Does the City already have access to data feeds from third-party shared mobility providers or are they looking to the vendor to provide those?

A) The vendor will be ingesting and aggregating the data feeds from providers to the City.
5. Q) What is the expectation for speed of data delivery?

A) The City is seeking a qualified contractor to manage, analyze, and report on real-time and historical data of shared mobility services operating in the City, as well as provide consultation services to the City to coordinate projects among shared mobility service providers. The delivery of data should coincide with processes to deliver real-time and historical data, in step with the City's objective to address safety issues and identify trends in an expeditious manner.

II. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
