- 6.2 Minimum Responsiveness.** Proposals are Minimally Responsive when they include all of the Submittals listed in this Solicitation, completed and with sufficient detail in each to evaluate the Proposal in accordance with the Solicitation's Instructions. Proposals that are not Minimally Responsive may be deemed non-responsive and rejected.

- 6.4 Clarifications.** Any time after the opening of Proposals, the City may contact Offerors to ask questions about their Proposal's contents in order to better understand these contents as-written. Responses to clarification questions, whether done verbally or submitted in writing, do not change the Proposal's contents. Clarifications are not to be confused with Discussions as described herein.
- 6.5 Evaluation.** Proposals that are Minimally Responsive will be evaluated based on the Evaluation Factors listed in Section 11.1 of the Solicitation Instructions. Evaluation Factors correspond to their specified Submittals and shall indicate their respective weighting next to each. Proposal submittals not identified as Evaluation Factors will be evaluated on a pass / fail basis in accordance with the Solicitation's Instructions and any further instructions within each Solicitation. Although minimum responses are required in all Submittals, the Submittals identified as Evaluation Factors will be used to differentiate the Proposals and to identify which Proposal(s) represent the Best Value to the City. The City's evaluation may be made without Clarifications or Discussions with Offerors. Proposals should, therefore, include the Offeror's most favorable terms.
- 6.6 Discussions and Proposal Revisions.** After completing initial evaluations, the City may enter into Discussions (communications which may include negotiations and feedback about the Proposal submitted) with one or more Offerors submitting the highest rated Proposal(s). Following the completion of Discussions, the City may request Proposal revisions from these Offerors. The City may seek multiple rounds of Discussions and Proposal revisions as deemed necessary by the City. Any protest filed after that date which raises issues regarding the Solicitation will not be considered.

**8.4.2** Protests regarding the evaluation of Proposals. Any protest regarding the evaluation of Proposals by the City shall be filed with the City no later than five (5) days after the notification of award recommendation is posted on Austin Finance Online, or notification that the protestor's status as a Offeror has changed, such as notification that an Offer has been found to be non-responsive or an Offeror has been found to be non-responsible. Any protest filed after such date which raises issues regarding the evaluation will not be considered. Offerors may only protest the evaluation of their Proposal.

**8.4.3** Protest Regarding Award of Contract (Post-Award Protest). Any protest regarding the award of the contract shall be filed no later than ten (10) days after the date of award. Any protest regarding the award of the contract filed after such date will not be considered.

If the Purchasing Officer determines that your grounds are insufficient, the City will notify you of that decision in writing.

**8.4.7** The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the purchase, the Department of Law, the Purchasing Office, and other appropriate City staff. You may bring a representative or anyone else that will present information to support the factual grounds for your protest with you to the hearing.

**8.4.9** The City will send you a copy of the hearing decision after the appropriate City staff has reviewed the decision.

**8.4.10** When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Purchasing Officer determines that the City urgently requires the supplies or Services to be purchased, or failure to make an award promptly will unduly delay delivery or performance. - B. Invoices shall be sent to the address on the Purchase Order or Delivery Order in the section entitled, "BILL TO". Proper Invoices must include a unique Invoice number, the purchase Order or delivery Order number, the master agreement number (if applicable), the Department's Name, and the name of the point of contact for the Department. Invoices shall be itemized according to pricing structure in the Contract. A copy of the bill of lading and the freight waybill, when applicable, shall be attached to the Invoice. The Contractor's name and, if applicable, the tax identification number on the Invoice must exactly match the information in the Vendor's registration with the City. Invoices received without all required information cannot be processed and will be returned to the vendor.
- C. Invoices for labor shall include a tabulation of work-hours at the appropriate rates and grouped by work Order number. Time billed for labor shall be limited to hours actually worked.

**CITY OF AUSTIN  
STANDARD TERMS AND CONDITIONS**

- B. If payment is not timely made, (per Paragraph A), interest shall accrue on the unpaid balance at the lesser of the rate specified in Texas Government Code §2251.025 or the maximum lawful rate; except, if payment is not timely made for a reason for which the City may withhold payment hereunder, interest shall not accrue until 10 calendar days after the grounds for withholding payment have been resolved.
- C. If partial shipments or deliveries are authorized by the City, the Contractor will be paid for the partial shipment or delivery, as stated above, provided that the Invoice matches the shipment or delivery.

  - vii. Failure of the Contractor to comply with any material provision of the Contract Documents.
- E. Notice is hereby given of Article VIII, §1 of the Austin City Charter which prohibits the payment of any money to any person, firm or corporation who is in arrears to the City for taxes, and of §2-8-3 of the Austin City Code concerning the right of the City to offset indebtedness owed the City.

The Contractor shall factor the cost of processing credit card payments into the Offer. There shall be no additional charges, surcharges, or penalties to the City for payments made by credit card.
- G. The awarding or continuation of this Contract is dependent upon the availability of funding. The City's payment obligations are payable only and solely from funds appropriated and available for this Contract. The absence of appropriated or other lawfully available funds shall render the Contract null and void to the extent funds are not appropriated or available and any Deliverables delivered but unpaid shall be returned to the Contractor. The City shall provide the Contractor written notice of the failure of the City to make an adequate appropriation for any fiscal year to pay the amounts due under the Contract, or the reduction of any appropriation to an amount insufficient to permit the City to pay its obligations under the Contract. In the event of inadequate appropriation of funds, there will be no penalty nor removal fees charged to the City. The City shall pay the Contractor, to the extent of funds appropriated or otherwise legally available for such purposes, for all goods delivered and services performed, and obligations incurred prior to the date of notice of non-appropriation.

The City may request and review financial information as the City requires to determine the credit worthiness of the Contractor, including but not limited to, annual reports, audited financial Statements and reports, bank letters of credit or other credit instruments. **1.9 RIGHT TO ASSURANCE:**

Whenever one party to the Contract in good faith has reason to question the other party's intent to perform, demand may be made to the other party for written assurance of the intent to perform. If no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

**1.10 STOP WORK NOTICE:**

The City may issue an immediate Stop Work Notice in the event the Contractor is observed performing in a manner that is in violation of Federal, State, or local guidelines, or in a manner that is determined by the City to be unsafe to either life or property. **1.12 TERMINATION FOR CAUSE:**

In the event of a default by either party, the non-defaulting party shall have the right to terminate the Contract for cause, by written notice effective ten 10 calendar days, unless otherwise specified, after the date of such notice, unless the defaulting party, within such 10 day period, cures such default, or provides evidence sufficient to prove to the non-defaulting party's reasonable satisfaction that such default does not, in fact, exist. Additionally, the City shall have the right to act in accordance with the terms defined by "City of Austin Purchasing Office Probation, Suspension and Debarment Rules for Vendors." In addition to any other remedy available under law or in equity, either party shall be entitled to recover all actual damages, costs, losses and expenses, incurred by the party as a result of the Contractor's default, including, without limitation, cost of cover, court costs, and prejudgment and post-judgment interest at the maximum lawful rate. In the event of termination of the Contract under this Section, the Contractor shall handover all complete and partially complete Work Products and Documentation developed under this Contract.

**1.13 ATTORNEY'S FEES:**

In consideration of the award and execution of this Contract and in consideration of the City's waiver of its right to attorney's fees, the Contractor knowingly and intentionally waives its right to attorney's fees under §271.153, Texas Local Government Code, in any administrative proceeding, alternative dispute resolution proceeding, or litigation arising out of or connected to this Contract.

The City may delay scheduled delivery or other due dates by written notice to the Contractor if the City deems it is in its best interest. If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within 30 calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution Clause. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.

**1.17 FORCE MAJEURE:**

Contractor may be excused from performance under the Contract for any period when performance is prevented as the result of an act of God, strike, war, civil disturbance, epidemic, pandemic, sovereign conduct, or court order provided that the Contractor experiences the event of force majeure and prudently and promptly acts to take any and all steps that are within the Contractor's control to ensure performance and to shorten the duration of the event of force majeure. Contractor shall provide notice of the force majeure event to the City within three (3) business days of the event or delay, whichever occurs later, to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination. However, the City may terminate an order under the Contract if it is determined by the City that the Contractor will not be able to deliver goods or services in a timely manner to meet the business needs of the City.

**1.18 INDEMNITY:**

**1.26 PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS:**

No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any Solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that Solicitation. Any willful violation of this Section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.

**1.27 INDEPENDENT CONTRACTOR:**

The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent Contractor. The claim or right arising out of a breach of the Contract cannot be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

**1.30 MODIFICATIONS:**

The Contract can be modified or amended only in writing and signed by both parties. No pre-printed or similar terms on any Contractor Invoice, Order, clickwrap agreement or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to consider qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a Contract interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another State or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

**1.34 INVALIDITY:**

The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. #### **2.0 Purpose**

*The purpose of this contract is to provide independent third party reviews to verify compliance with the terms and requirements in economic development incentive agreements and agreements related to participation in the Texas Major Events Reimbursement Program and/or the Texas Events Trust Fund. In accordance with Ordinance 20090312-005, the City Council is committed to making the administration of City of Austin economic development agreements a transparent process, and requires that compliance reviews for economic development agreements be verified by an independent third party (“Contractor”) and the results of that independent review be made available for public inspection.*

#### **3.0 Term of Contract**

This Contract shall remain in effect for an initial term of twelve months or the City terminates the Contract. This Contract may be extended beyond the initial term for up to four additional twelve month periods at the City's sole option. Entire contract term not to exceed 60 months.

#### **4.0     Background**

The City of Austin currently has Chapter 380 agreements with seven Companies. Chapter 380 agreement terms range from one-year to twenty years. Companies must meet performance requirements during each year of the term in order to be eligible for a Chapter 380 payment for that year. The number of reviews to be conducted each year is expected to remain relatively stable at approximately five to ten reviews per year.

Reports of the Companies' performance during the previous year are typically due between January and March. The City and the Contractor then determine whether each Company has complied with the terms of their agreement. Provided a Company is found to be compliant, that Company's Chapter 380 payment is processed in October.

To the extent that Companies are prompt in providing reports to the City, scheduling review meetings and providing information needed to verify compliance, the City and the Contractor shall make every effort to complete third party reviews so that Chapter 380 payments may be made timely, usually by October 30.

Since much of the material that the City and the Contractor evaluate in order to determine each Company's compliance is considered proprietary by the Companies, reviews are conducted at the Companies' sites or virtually. In order to minimize disruption to the Companies, the City and the Contractor conduct the on-site portions of each review concurrently. Each third party review is specific to the agreement which identifies the obligations of the Company and the City.

Once the City receives a Company's Certificate of Compliance, in January, February or March, the City will evaluate the report, then coordinate with the Company and the Contractor to schedule a meeting at the Company's site. The City will provide to the Company and the Contractor a detailed agenda for the meeting, generally describing the procedures to be performed.

Each third party review will consist of the City and the Contractor performing the procedures, agreed upon by the City and the Contractor, to determine whether the Company complied with each applicable requirement in their agreement with the City.

While much of the material that the City and the Contractor evaluate in order to determine compliance is considered proprietary by the Companies, the Contractor's reports include only general information and are made available to the public. Each report will be written in a way that clearly communicates whether or not the Company complied with each requirement. No report will be finalized until it is accepted by the City.

Under an interlocal agreement between the City and Travis County, the City and County collaborate to monitor "Joint Projects". A Joint Project is one that has a Chapter 380 agreement with the City and a concurrent Chapter 381 agreement with the County. Travis

County representatives will participate on reviews of Joint Projects.
