Section 2: Discounts to Catalog Items

The Contractor shall provide lists of available manufacturer, vendor, and/or other item catalog parts available to the City. The City does not guarantee the purchase of any products from catalog lists included with the offer.

Provide a minimum discount that covers all catalog items offered by the Contractor. A bid of zero ('0') or blank entry will be interpreted by the City that the catalog items will be sold at the Manufacturer's Suggested Retail Price. A 'no bid' will be interpreted by the City that your Company does not wish to bid this solicitation.

In addition to the minimum discount above, please provide a list of any additional item catalog or product names your Company can provide the City and the discount of the listed catalog prices if different than the minimum discount percentage previously listed. Attach an additional page(s) to this Price Sheet if additional catalog item lists exceeds the spaces provided.

Section 2: Discounts to Catalog Items

The Contractor shall provide lists of available manufacturer, vendor, and/or other item catalog parts available to the City. The City understands that Contractors may change qualifying part manufacturers throughout a contract term and catalog lists can be added or removed as needed. The City does not guarantee the purchase of any products from catalog lists included with the offer.

Provide a minimum discount that covers all catalog items offered by the Contractor. A bid of zero ('0') or blank entry will be interpreted by the City that the catalog items will be sold at the Manufacturer's Suggested Retail Price. A 'no bid' will be interpreted by the City that your Company does not wish to bid this solicitation.

In addition to the minimum discount above, please provide a list of any additional item catalog or product names your Company can provide the City and the discount of the listed catalog prices if different than the minimum discount percentage previously listed. Attach an additional page(s) to this Price Sheet if additional catalog item lists exceeds the spaces provided.

Discount is a firm fixed throughout the life of the contract.
