

**ADDENDUM
PURCHASING OFFICE
CITY OF AUSTIN, TEXAS**

Solicitation: IFB 8100 PLS3010REBID

Addendum No: 1

Date of Addendum: 2/15/2023

I. Extension:

1. The proposal due date is hereby extended until February 23, 2023 at 2:00 PM, Central Time

II. Questions and Answers:

1. Clarification of qualifications: Can you confirm that in order to satisfy required software maintenance and upgrades per 8.A and 9.A.8, Contractor is required to verify at Contractor and individual personnel levels the direct means to maintain current Alerton credentials? Further, what independent verification by Alerton in writing is required prior to contract award and at any point during the contract?
 - A. We will need documentation to verify that your technicians are qualified and certified to support the Alerton system. (certificate from Alerton of completed training program)
2. Clarification of intent per 9.A.1: Confirm it is acceptable to assume all required software and licensing has been provided on existing installations per applicable construction documents regardless of OEM and have access to these free of any outside restriction? For example, per construction documents for IT Building, 250900, 2.05.5.b requires custom application programming software tools be provided to AUS as part of the construction project.
 - A. AUS has and/or will get all necessary tools to assist with supporting the system without any outside interference.
3. Scope Review: When will there be a pre-bid scope review with all pertinent parties/stakeholders at AUS? For reference, bid date is February 16th.
 - A. The This solicitation is a Invitation for Bid and will not host a pre-bid meeting prior to the February 16th close date.

II. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
